"I need help! Our regular childcare has fallen through!"

Come to the rescue of our corporate backup childcare families.

Why work corporate jobs?

- Better pay: **\$12/hour**
- Jobs are often longer hours
- Gain valuable employment history on MBF payroll

Contact your Temporary Placement Counselor for details on how you can join the elite squad of corporate nannies.

"Thank you for the prompt service - you can't plan when your children are going to be ill and it sure helps that you are prompt with setting up services to care for them. I am very thankful also that you take the time (was very obvious to me) to find such caring individuals."
